Statement

Dear Mrs Chudek,

Statement relating to the EU Product Safety Regulation GSPR Regulation (EU) 2023/988:

In principle, it only applies to products that (may) reach the private end user or where it is to be expected that the consumer will come into possession of a product. This means that craft, office and household adhesives as well as assembly adhesives or wood adhesives and construction and flooring adhesives that are traded in DIY stores, for example, are affected.

EUKALIN Spezial-Klebstoff Fabrik GmbH only sells adhesives for industrial use.

We hope that our information will be useful. In case of any further question please do not hesitate to get in contact with us.

Best regards,

Regulatory Affairs
